Jury awards for injuries caused by automobile accidents frequently run as high as \$50,000 or \$100,000-or even more. If you don't have sufficient insurance to cover a jury award, the amount comes out of your own pocket-from your savings,

property, or future earnings. It costs only a few dollars to get the extra coverage you need. Let me review your car insurance to make sure you have enough protection. Call me today. Don't gamble with your future.
